Dear Sir or Madam :

This letter is to inform you of an important change regarding Novolin brand insulin and/or Prandin that you are currently receiving through a participating Health Kentucky Physician's Care (KPC) pharmacy.

- Effective March 1, 2007 Novo Nordisk will begin a new process for filling your prescription of Novolin brand insulin and / or Prandin. You will no longer be able to fill these prescriptions at your current pharmacy.
- Novo Nordisk has requested that to receive these medications you will be required to complete an application and submit it to their Patient Assistance Program to verify your continued eligibility
- Novo Nordisk Patient Assistance Program applications will be available on their website at <http://www.novonordisk.com> beginning March 1, 2007.

If you require additional assistance with this change please contact the Kentucky Physician's Care Hotline at 1-800-633-8100.

Sincerely,

Steve Davis, M.D.  
Deputy Commissioner
